

GREEN SOIL

nutrients from the sea

NP Plus

25 Kg

GUARANTEED ANALYSIS:

Total Nitrogen (N)5.00%
 Available Phosphate (P₂O₅)....26.00%
 Magnesium (Mg)8.36%
 Calcium (Ca) 2.06%

PRODUCT OVERVIEW:

Green Soil® NP Plus is a premium, slow-release fertilizer designed to improve soil health, enhance crop yields, and promote sustainable agricultural practices. It contains essential nutrients such as nitrogen, phosphorus, magnesium and calcium. Green Soil® NP Plus is derived from US patented desalination process.

APPLICATION INSTRUCTIONS

1. General Application Guidelines:

- Ensure soil testing is conducted to determine nutrient requirements before application.
- Apply evenly to the soil surface and incorporate into the root zone, if possible.

2. Specific Crop Applications:

Crop	Growth Stage	Method of Application	Dosage (kg/ha)
Oil Palm	Nursery	Incorporate into soil	80 - 120
	Immature (1-3 years)	Apply around base	160 - 240
	Mature (>3 years)	Broadcast or banding	240 - 320
Rice	Vegetative	Incorporate before planting	120 - 160
	Reproductive		80 - 120
Rubber	Immature (1-5 years)	Incorporate into soil	120 - 200
	Mature (>5 years)	Apply around base	160 - 240
Pineapple	Planting	Incorporate before planting	160 - 200
	Vegetative	Top-dressing	120 - 160
	Reproductive	Top-dressing	80 - 120
Durian	Nursery	Incorporate into soil	80 - 120
	Immature (1-4 years)	Apply around base	160 - 240
	Mature (>4 years)	Broadcast or banding	240 - 320
Vegetables	Early Growth	Incorporate before planting	80 - 120
	Mid Growth	Top-dressing	80 - 120
	Late Growth	Top-dressing	40 - 80

3. Water Retention Parameters:

- **Irrigation:** Maintain consistent soil moisture to optimize nutrient uptake.

PRODUCT HANDLING INFORMATION / USAGE INSTRUCTION

1. Handling and Storage

- Storage Conditions:
 - Store in a cool, dry place.
 - When not in use, keep the bag tightly sealed to prevent moisture absorption.
 - Store away from incompatible materials such as strong acids and alkalis.
- Handling Precautions:
 - Use protective gloves and eyewear when handling the fertilizer.
 - Avoid inhaling dust; use a mask if necessary.
 - Wash hands thoroughly after handling.
 - Keep out of reach of children and pets.

2. Safety and Environmental Information

- Safety Precautions:
 - In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
 - If ingested, seek medical attention immediately.
- Environmental Impact:
 - Green Soil® NP Plus is an all-natural mineral based fertilizer that minimizes leaching and runoff, reducing the environmental impact.
 - Follow recommended application rates to maximize nutrients uptake by plant.

IMPORTANT NOTE: Always follow local regulations and guidelines for fertilizer application. Consult with a local agronomist or agricultural extension service for specific recommendations tailored to your crop and soil conditions.
